

ÉCHENLLAGE 4 CÔTÉS

148,5 mm

The diagram shows a technical drawing of a 4-sided notch. A vertical dimension line on the left side indicates a height of 148,5 mm. A horizontal dimension line at the bottom indicates a width of 210 mm. The notch is represented by a horizontal line at the top and a vertical line on the left, meeting at a corner. The rest of the drawing area is empty.

210 mm
